

St. Kevin's High School

Student of the Year

Each year, St. Kevin's High School recognizes a student at each grade level for their academic achievement and contributions to the school community and community at large. In Level Three, a graduating student is recognized not at a particular grade level, but as our overall Student of the Year. The graduating student also receives a scholarship at our fall graduation ceremony. Any student at each grade level is eligible to apply.

Criteria

1. Academic Performance – The student should be strong academically with solid marks and a good work ethic (responsible and working to their full potential).
2. Attitude Exhibited in School – The student must have a positive attitude towards learning and be respectful and polite to fellow students and staff.
3. Attendance – The student must be in regular attendance during the school year - Only unexcused absences will be considered detrimental.
4. Leadership and Involvement in School Related Activities – Candidates must display a willingness to get involved in both curricular and co-curricular activities. The student should be a model ambassador for St. Kevin's High.
5. Community Involvement – While not a major criteria, it is important that the student of the year be involved outside of school. Community involvement and citizenship are important attributes for all students to possess.
